

TURBO TRAINING FACILITY

5300 Perry Highway Pittsburgh PA, 15229
412-953-0145

Turbo Training Facility is a non-profit community batting cage/training facility located in the North Hills area of Pittsburgh PA. The facility has two full size batting cages, pitching machines, and turf flooring. The space is 4000 square foot and includes tee work areas, restroom, waiting room and vending machine. Cage rentals (age 12 and under for baseball and all ages for girls softball) available by the hour for individuals or instructors. Whole facility rentals available for team practices. Please reach out to us if you are interested in individual or group lessons with instructors (specializing in pitching, catching, fielding, and hitting).
